What is **WETTY**

The architecture of light.

Welcome to the innovative world of **Wetty**, the product that redefines your outdoor and humid lighting experience. **Wetty** has been specifically designed to withstand the elements, allowing you to enjoy the beauty of lighting even in challenging conditions.
Whether you're looking to illuminate the facade of a building or create an atmospheric ambiance in your shower, **Wetty** is the perfect solution.

Thanks to its intuitive design and versatility, **Wetty** can be easily installed on both walls and ceilings, offering you a hassle-free installation solution. **Wetty** is available in three standard widths, but its true strength lies in the ability to customize lengths of up to 3 meters. Choose the size that fits your project and let **Wetty** seamlessly integrate into the architecture of the building or the surrounding environment. Its compact form and minimalist design adapt to any style, adding a touch of elegance to your space.

In addition to its water resistance, **Wetty** ensures excellent durability and optimal performance. Its high-quality materials withstand harsh weather conditions and climate changes, providing you with a reliable product that stands the test of time. **Wetty** also incorporates advanced technology to deliver uniform and pleasant lighting, creating captivating and welcoming atmospheres.

INPUT VOLTAGE
24VDC

DRIVER
AC DC 24V DC OUTPUT
(class 2 Power Unit)

DIMMABILITY
by all existing systems
(ELV/MLV, 0-10V, DALI, LUTRON, DMX ...)

LUMEN DELIVERED
Standard output 890 lm per linear mt (290 lm per linear ft)
High output 1780 lm per linear mt (580 lm per linear ft) of the longer side

POWER CONSUMPTION
Standard output 14 W per linear mt (4,5 W per linear ft)
High output 28 W per linear mt (9 W per linear ft)

IP | IK GRADE
IP65 for Wet Location | IK10

DIMENSIONS SHORT SIDE
MM 76.2
INCHES 3.0

DIMENSION LONG SIDE
MM 304.8 to 3048.0 mm
INCHES 12.0 to 120.0 in

LIFE TIME
70.000 hrs

WARRANTY
3 Years (36 month)
